

To philosophy

To test & see
that it works, then
~~try to do~~ do anything
but make it work.

Then it turns into mockery,
Fake & acting.

She needs invented
economic power & structure
to get & make others build
things that work, since
she refuses to use workable
ideas & interconnects.

What Gillard call society.

State

on merit

Natural form
free market economy.

It has to be a
female world. Tes's
definition of female.

What is Tes's definition
of female?

How is a guy supposed
to connect with Tes?

an Buddhism
subtle sex
prophetic
sex
technology

What is this priority
meaning & how do
know? You can't
at least as a guy
named STP. Got Packard

education.

It is not a global
murderer but does
a failure for society
labours while billions
balks.

A form of feminism,

The Buddha puts things
